Note: All Sponsorships include their logos on the tee shirts given out to all attendees.

This is the 14th IA Renewal/Workshop that we have hosted with the Teterboro FAA FSDO-25. It is also the only one in the Teterboro FSDO that the FAA participates in.

Each Sponsorship is given a table to display their products and their logo goes on the Tee shirts that are given out free to each attendee.

Our Mini Trade Show lasts all day. Our doors open for Breakfast at 7:00 AM in the Morning, so prior to the training the attendees can mill around and talk to all the vendors. We take a 10 to 15 minute break between each training session and an hour for the Buffet lunch, so again the attendees can talk to the vendors.

Our attendees are drawn from New Jersey, NYC, Long Island, New York State, New England, PA, and Delaware. We also notify our surrounding FAA-FSDO's (Long Island, Boston, Allentown & Philly) and they in turn spread the word to the IA's in their districts. Last year we had almost 200 attendees

Each attendee receives an FAA Certificate for 8 Hours of Approved Training, a FREE Tee Shirt and more food than they can eat. All for Free thanks to the generosity of our Sponsors

We hope you take this opportunity to become a Sponsor of the event. If you don't see anything on the list above that fits your budget please give me a call and we will try to work something out
