Your local FAA/FSDO-25 Office and The Teterboro Chapter of PAMA (Professional Aircraft Maintenance Association) have joined efforts once again and with the help of our Good Friends at:

***ARINCDirect | Collins Aerospace,***

We have put together a program that will cover topics of interest to both the reciprocating and turbine Mechanic / IA. There will be a Mini Trade Show through out the day and during the lunch break. This Refresher meets the requirements of FAR 65.93 (a) (4) for IA renewal annual training. There will be NO other Approved Training being held in the area by the FAA-FSDO-25.

**This training is open to all Certified and Non-Certified Mechanics & Repairman  
And it is Completely FREE**

**Any Vendors interested in having a table for the Mini Trade Show or donating Door Prizes should contact: Neil Nederfield at 973-227-5750**

**Sponsorships Still Available**

**Complimentary Breakfast and Lunch will be served as well as refreshments through out the day.  
Door Prizes will be drawn at the end of the program**

**Registration to attend is required.** To register or for questions about your IA Workshop contact Neil Nederfield PAMA Rep. at [nned@cwaero.com](mailto:nned@cwaero.com) or 973-227-5750
